

Devin De Leon

714.273.5743 // devindeleon@live.com // Santa Ana, California

Graphic design college graduate with several years of experience with print, packaging, and web design. Looking to be a part of creative projects where my design skills will be utilized and further developed.

Experience

ID Lubricants, a division of *Westridge Laboratories, Inc.* | Santa Ana, California

Graphic Designer - Nov 2011 to Present

A member of an in-house team of graphic designers. This position requires effectively managing my time over multiple projects while keeping detailed project updates. I worked on a variety of projects including:

- Print Advertisements
- Catalog & Booklet Layouts
- Package Design
- Web Banners
- Webpage Layouts
- Logo Design
- Van & Truck Graphics
- Photo Retouching
- Product Photography
- Posters, Banners, & Retail Signs
- Tradeshow Booth Design
- Product Prototypes for Tradeshows

Freelance Graphic Design - Jan 2010 to Present

Worked closely with clients to create mailers, flyers, websites, email newsletters, and logos for event promotions, real estate, and independent contractors.
